PRELIMINARY AMENDMENT

Dear Sir:

Prior to examining this patent application, please enter the following amendments and consider the following remarks.

IN THE CLAIMS

The following is a clean version of the entire set of pending claims. A marked up version of the amended claims is provided in Appendix. Those to which no amendment has been requested appear in small print.

- 1 1. An inter-module communication comprising:
2 a message, wherein
3 said message comprises customer relations management system information.
- 1 2. The inter-module communication of claim 1, wherein
2 said customer relations management system information comprises at least one of agent
3 information and work item information.
